In September, 1944, the class of '48 entered Thornton 1,041 headstrong. They had the distinction of being the largest freshman class. This year they continue to hold this distinction by being the largest class ever to graduate.

As "freshies" the long corridors appalled them and they rushed to classes for fear of being late.

As sophomores they had great fun teasing the incoming freshmen and pretending they knew so much.

Then they became upperclassmen. Members of their class were on the Varsity teams, they elected a May Queen, and went to the prom.

This year they are the seniors. Under the guidance of Mr. J. F. Zimmerman, they have reached the sought-for goal.

As they stand waiting to receive their diplomas the night of graduation, there will no doubt be memories.

These memories will begin with their first day at TTHS and end with the day that has just passed when the bell rang for their last class.

Memories they will have of the first football game, the freshman party, report cards, study halls, the Lincoln statue, the yearbook, the Knotty Pine, the plays, the May Queen election, assemblies, the T bench, the first Girls Club Dance, language clubs, the prom, senior elections, and exams.

Outstanding students are elected to NHS . . .

National Honor Society members are chosen in the spring—15% of the upper 25% of the Junior Class. From an eligibility list furnished by the class principal, faculty members vote on prospective members of the society. Character, leadership, service, and scholarship are the basis of consideration. From the names receiving the most votes, the class principal and homeroom teachers make the final selection. Seniors who have qualified since their junior year are also elected.

Back in the fall of 1945, a mob of green-eyed characters stormed the quiet, ivy covered walls of Thornton High. For the first time, the Class of '49 realized that there was no third floor and the elevator was purely imaginary. But, before the school year was over, the freshmen had become a part of TTHS and had grown to be almost as big as sophomores. Sophomore year flew by as quickly as freshman year did. Under the leadership of President John Bardwick, the Class of '49 came through with flying colors. But all of this is insignificant in the light of their most important year, the one that is almost over. At the beginning of the third year, the newly made upperclassmen took over with a firm, steady, and experienced hand. They combined their efforts to make the Junior-Senior Party a big success. With good grades, spunk, and ambition, these kids realized that they had become leaders. They had their part in Boys and Girls Club functions, in the Junior-Senior prom, in the operetta, and loveliest of all, they chose a May Queen for 1948 and a court. Yet, none of these things are nearer to the hearts of all Thorntonites than the part five junior boys played in Thornton's basketball season. Thornton is proud of Jock Robertson, Ronnie Ferguson, Bill Frederick, John Morris, and Roger Conant, who carried Thornton's basketball down to State for the first time in fifteen years and will be back next year to shoot it higher. Orchids to you of the Junior Class. The seniors are proud to leave Thornton to the Class of '49, a true heir apparent.

LARRY ABRAHAM ..... *President*
DICK EVANS, KENNETH GROENEVELD..... *Vice President*
PAT MYERS ..... *Secretary*
DAVID CALDWELL ..... *Treasurer*

Last fall the Class of 1951 entered the halls of Thornton as green as green could be. Little by little they became accustomed to the change and to the difference between grammar school and high school. At the end of the first semester they were well into the swing of things—really full-fledged Freshmen. Mr. Stephens, Freshman class principal, guided the incoming Freshmen in September by helping them to select their courses of study. All Freshmen were required to take courses in general science and civics. Mr. Stephens helped the class all year by smoothing out some of the difficulties encountered by most freshies. The Freshman girls had their first taste of social life at Thornton at the Freshman Stand-Up, a party given every year by the Girls Club especially to acquaint frosh gals with each other and also with the upperclassmen. The school year has ended. The Class of '51 will step out of their toddling clothes and as sophomores will be anxiously awaiting the beginning of school next September when they can welcome the Class of 1952 to life at Thornton. 'Til then—sophs!

BUSES, CONFERENCES, PARTIES

The KIP, under the leadership of Johnny Lundmark, has accomplished many things this year. Their most important project was identification cards for all TTHS students. Buses for students who attended out-of-town games were provided by the student council. Taffy apple sales, the Lost and Found, and the Homecoming Dance, March 13th, were also sponsored by the KIP. Betsy Zimmerman and Chuck Romer were crowned king and queen of the Homecoming Dance. Eight seniors were chosen for the court through balloting in the homerooms, and then on the night of the dance the queen and king were elected. The KIP attended conferences at other schools and on February 10th the South Suburban Conference of Student Councils met at Thornton to discuss activities and exchange ideas. Representatives from Blue Island, Joliet, Argo, Lockport, Crete, and Bloom were present. Conduct, poster, and speakers committees have helped keep school conduct up to par.

BOYS CLUB

The Boys Club is the largest organization for boys at TTHS. Through its many activities the club brings the boys closer to the school. The Father-Son Stag, February 14, was the big party of the year. Mr. C. J. Albrecht, of Homewood, was the principal speaker. He told of his expedition to the Hudson Bay region of Canada and showed movies of the trip. Mr. Umbaugh, faculty sponsor, welcomed the dads. Chuck Romer, club president, introduced the Boys Club Board and also Mr. James Mann, Sr., who gave the response for the dads. The shops were open at seven o'clock for

inspection and the program was presented in the auditorium, later. Group meetings for freshman boys are an important part of the club program. The purpose of the meetings is to acquaint the freshmen with their privileges and responsibilities at Thornton and to help them take part in the school's many activities. The biggest project undertaken by the Boys Club is that of furnishing hall guards, bus guards, and a campus patrol. They have the necessary authority to see that order is kept in the corridors during the day, on the buses to and from school, and on the campus during lunch hours and before and after school. The Boys Club and Girls Club combine to produce a play each fall. Proceeds go to paying for assembly entertainers for the entire school. This year the play was the murder mystery, "A Murder Has Been Arranged," presented October 17 and 18, which provided for three assemblies for each of the four classes. Geoffrey Morgan endeared himself to his audiences when he spoke on "The Marks of a Man" to the upperclassmen on October 10 and to the freshmen and sophomores, October 21. Joan Bishop, ex-Quiz Kid, played and sang for the juniors and seniors, January 14; Felix Witzinger, pianist from Carleton College, played for the freshmen and sophomores, January 19. Norman Coates Webster put his point across to the freshmen and sophomores when he talked to them, February 24, on the subject, "So You Don't Like Poetry." James Dutton charmed the juniors and seniors with his marimba playing at their assemblies, March 22.

At the Boys Club Stag, February 14th, are Mr. C. J. Albrecht, Homewood, who told of his Hudson Bay expedition and showed movies; Dr. Maddox; Chuck Romer, club president; Mr. Umbaugh; Mr. James Mann, who gave the dads' response to the welcome.

May Queen Court

On the night of May 3, 1947, one junior girl experienced the happiest moment of her life and one mother finally realized that all her work was not in vain. The girl was Marian Vandenberg and the moment came when Carmella Firetto, May Queen of 1946, placed a crown of pink roses on Merv's head and named her May Queen of 1947. The crowning of the May Queen was preceded by the annual Mother-Daughter Banquet honoring the girls of Thornton and their mothers. After presentation of the May Queen Court, Carmella announced Lou Brown as Maid of Honor and crowned Marian as Queen. The crowning was followed by a dance to the May Queen performed by Joy Graham. After the recessional, the May Queen and her Court were congratulated and re-congratulated at the reception held in the Girls Club Room.

Work in Die Deutsche, the German club, was carried out under the supervision of Miss Jeannette Hills. Emphasized this year was the sending of clothing to Germany to aid needy people. The money for postage was raised at bake sales. Humorous skits and songs were part of the entertainment at monthly meetings. German folk dancing was also taught. Movies depicting life in Germany were shown throughout the year.

Latini, sponsored by Miss Identa Moler, teaches students who are interested in Latin culture something further of the language and civilization which contributed to and formed the background for all the romantic languages. Programs for the year include plays, movies, slides, and games. The highlights were the celebration of the Saturnalia at Christmas time and the Circus Maximus.

Le Cercle Francais, under the supervision of Miss Florence Wunderlich, has had a variety of programs this year. Puppet shows, skits, a quiz program, movies, a Christmas party, and musical programs were included. Several CARE packages were sent to France. The money for postage was raised by taffy apple sales. Some of the members corresponded with students in France.

The contest, November 14-January 15, was the main project this year. Randall Harbuck, Thorntonite photographer, won first prize with his picture entered in the scenic division.

The Hi-C Club is organized to promote fellowship among Christian teen-agers. Several outstanding events this year were the "Get Acquainted Party," Halloween and Christmas parties. Thornton's Hi-C was interviewed on the radio program, "The Youth of Chicago Speak," on December 27. Bob Williamson, Betty Hughes, and Grace Eldridge took part.

KEYDETS

The Keydets are a group of girls chosen from the Girls Choir for their knowledge of harmony and for their singing ability. This year they sang at school assemblies, the Christmas concert, Dad-Daughter Banquet, and Fun Nite. They also sang for community organizations

MADRIGAL

The Madrigal group performed at school concerts, took leading parts in the "Mikado," and sang at women's club meetings throughout the community and surrounding areas. They made two trips to Oak Forest Infirmary to entertain in the wards. Jackie Reichert was the accompanist for the Madrigal group this year.

Keydets, Madrigal are popular singing groups . . .

"Mikado" draws large crowds both nights . . .

The Gilbert & Sullivan operetta, "The Mikado," was presented by the combined choruses and orchestra, March 5 and 6, under the direction of Mr. Armbruster.

Susie Soenksen (Yum-Yum) poses with her lover of the Saturday night cast, Don Anderson (Nanki-Poo).

John Hughes as Ko-Ko did some real jumping.

The boys of the chorus were the expert fan-flippers of the occasion, not to mention their excellent singing.

Doug Aden, the Saturday night Ko-Ko, furnished plenty of comedy.

The girls chorus added color to the production with their blending voices.

Joe Youngblood (Mikado), Arthur Martin (Umbrella Carrier), and Beverly Payne (Katisha) of the Saturday night cast.

GIRLS ATHLETIC ASSOCIATION

This year the GAA officers were as follows: Pat Sobek, president; Lorraine Ber, vice president: Shirley Schmidt, treasurer; Marianne Laramie, Secretary.

Volleyball, baseball, basketball, badminton, ping pong, and lifesaving were offered to Thornton's girls this year.

The GAA picnic, at which the new members were initiated, and the basketball banquet were the two main social events of the year.

Girls Athletic Association produces "muscle girls", . . .

presents aquatic skills in "Water Circus" . . .

The trumpet blows and the parade begins! From behind a huge gray curtain come the circus performers. There are the Oriental dancers, seals, the ballet, and the clowns. They march around the pool and then disappear inside the "tent"—in reality, the boys dressing rooms. The fieldhouse was the "Big Top" for a three-day run, November 13, 14 and 15. The GAA presented the "Water Circus" to a packed house for three performances. Two huge cut-out seals stood guard on each side of the diving board and two walls were covered with murals of animal cages, a Fat Lady, and a Thin Man. Now the ringmaster, Ginny Peiguss, cracks her whip, and the seals slide into the water, cavorting over a float. The show is on!

The clowns act silly as Joyce Walker (far left) and Katie Goodwin (far right) look on. Clowns are Jerry Hyland, Marianne Laramie, Mary Beaupre and Edith Horn.

The synchronized swimmers were (left to right) Helen Van Laningham, Betsy Zimmerman, Jackie Irwin, Katie Goodwin, Carol Vandenberg and Diane Porter.

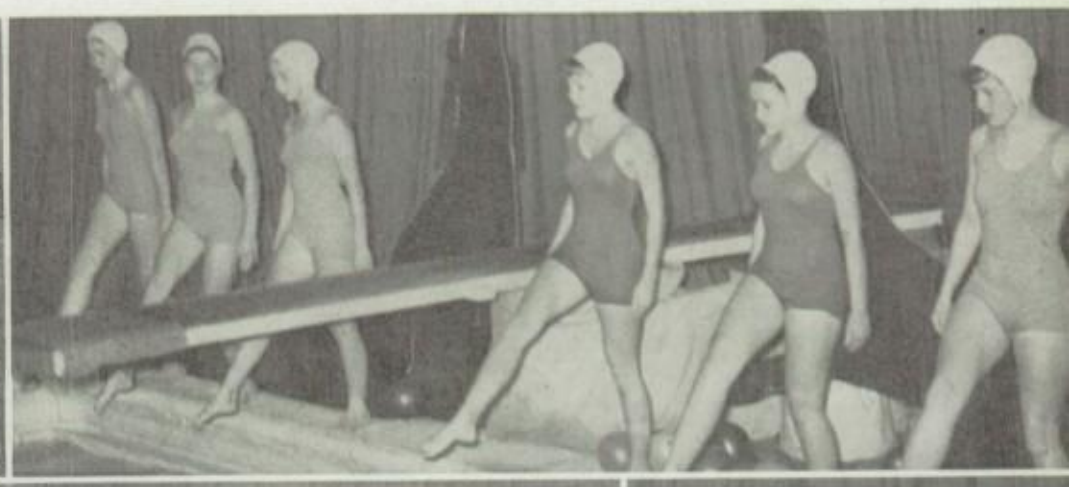
Two dummies swing from a trapeze above the pool.

Clowns Janet Gibbs, Annette Smidt and Barbara Fremouw search for Miss Sexauer, to deliver their plant.

Ginny Peiguss, as ringmaster, announced the numbers on the program.

The show is over and the finale begins.

The group of trained seals perform. Starting from the far left they are Catherine Arveson, Adela Swenson, Marilyn Hall, Mary Gattis, Mary Lou Edwards, Lorraine Ferkan, Barbara Ferkan, Barbara Anderson, Barbara Riggs, Lois Hanschmann, Martha Vames and Harriet Statton.



Audrey Simer sets up the ball in a volleyball game as the other members of the team get ready to play. They are from left to right, Zeilenga, Uniewski, Segneri, Kummelehne, Brooks, Kitchen, Lehnen, McMullen. On the right side of the net are Simer, Palmer, Geffert, Williams, Meyers, Mortensen, Czyl, and Janssen.

In Rhythms I classes gals learn the fundamentals of dance and exercise. Seated on the floor are Shirley Boswell and Joy Huisman. In the back are Yvonne Buick, Mary Plant, Joy Eisele, and Pat Combs.

Ping pong is offered to senior girls as a phase of individual sports. Shown left to right are Myrna Hess, Marie Rigoni, Joyce Larson, Mary Garczynski, Lois McClellen, Evelyn Dingler, and Georgia Merritt.

Instructions are given before the basketball game begins.

HEALTH ED

Five entirely different types of activities are offered to Thornton girls for their physical education. These are team sports, individual sports, dance, swimming, and freshman physical education. Courses in modified physical education are offered for those girls who are unable to engage in the more strenuous activities. Team sports include instruction and tournaments in soccer, volleyball, basketball, softball, and speedball. The individual sports classes are open to seniors only. Archery, badminton, table tennis, and planning of successful parties are taught in this course. Girls who elect dance receive rhythmic training in the fundamental movements of the body as a basis for self-expression. Swimming provides instruction and recreation for girls with all degrees of swimming ability. Life saving and pageantry are offered as extra-curricular activities. Freshman physical education includes skill tests, games, relays, tumbling, swimming, and folk dancing.

Health education is part of every gal's life . . .

Future homemakers profit by cooking, sewing . . .

Measuring, cutting, sewing the dresses they will model later in the Home Economics style show are four student in clothing lab: Thelma Sutton, Pauline DeJanovich, Jennie Campbell, Elaine Lagestee.

The delicious odors which tantalize the students with lockers in the Homemaking hall come from the foods lab. Joan Martens, Dorothy Bunch, Trudie Zeilenga and Dolores Wilson whip up something good.

Miss Reed's Homemaking II classes divided into two groups to prepare and serve Thanksgiving dinners, complete with turkey and all the trimmings. Lois Purnell is at the head of the table. Left to right are Miss Reed, Jaden Robinson, Evelyn Robinson, Joyce Mencl, Dolores Pajor, Hersey Griffin, Theresa Logan, Vivian Jones, Betty Jane Schimmel. Waitresses are Dorothy Timmins and Maxine Gill.

Skills develop in Industrial Arts shops . . .

The bangs and clangs often heard during a high school day, originate in the Industrial Education Department at the north end of the building.

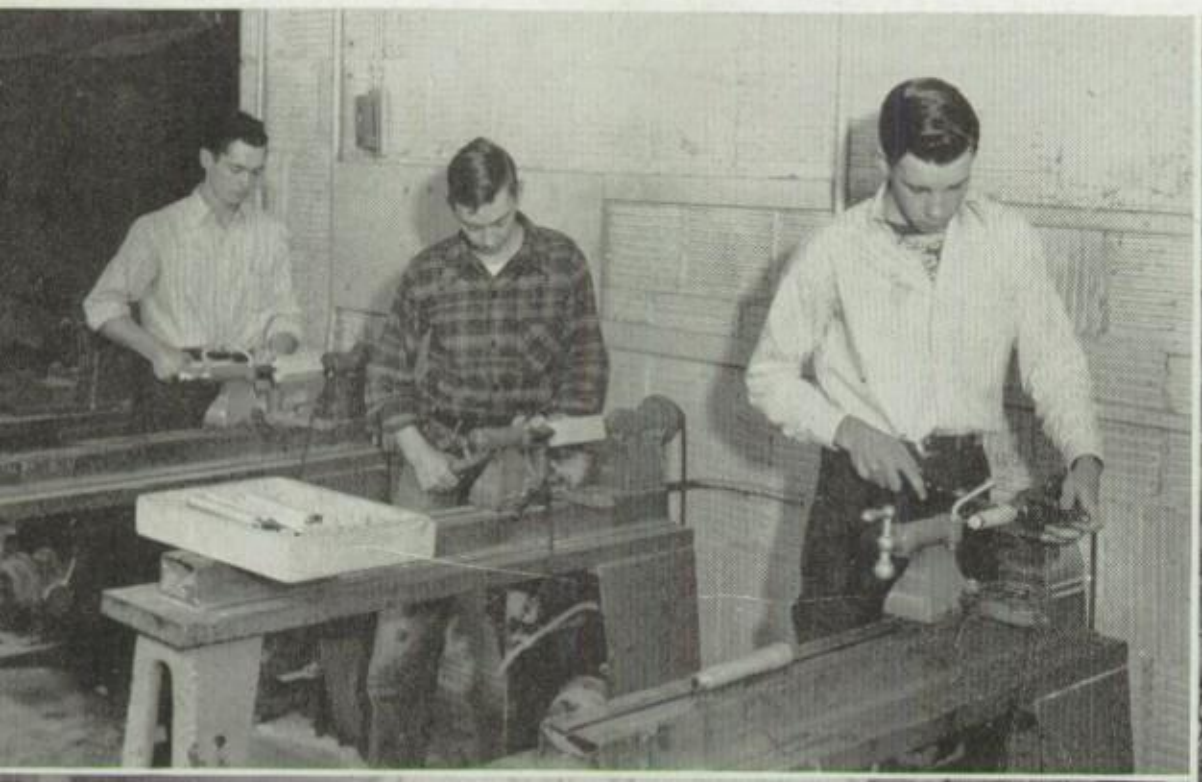
Don Carlson, Hilbert Manzke and Lyle Button work on the wood lathes, turning down wooden handles.

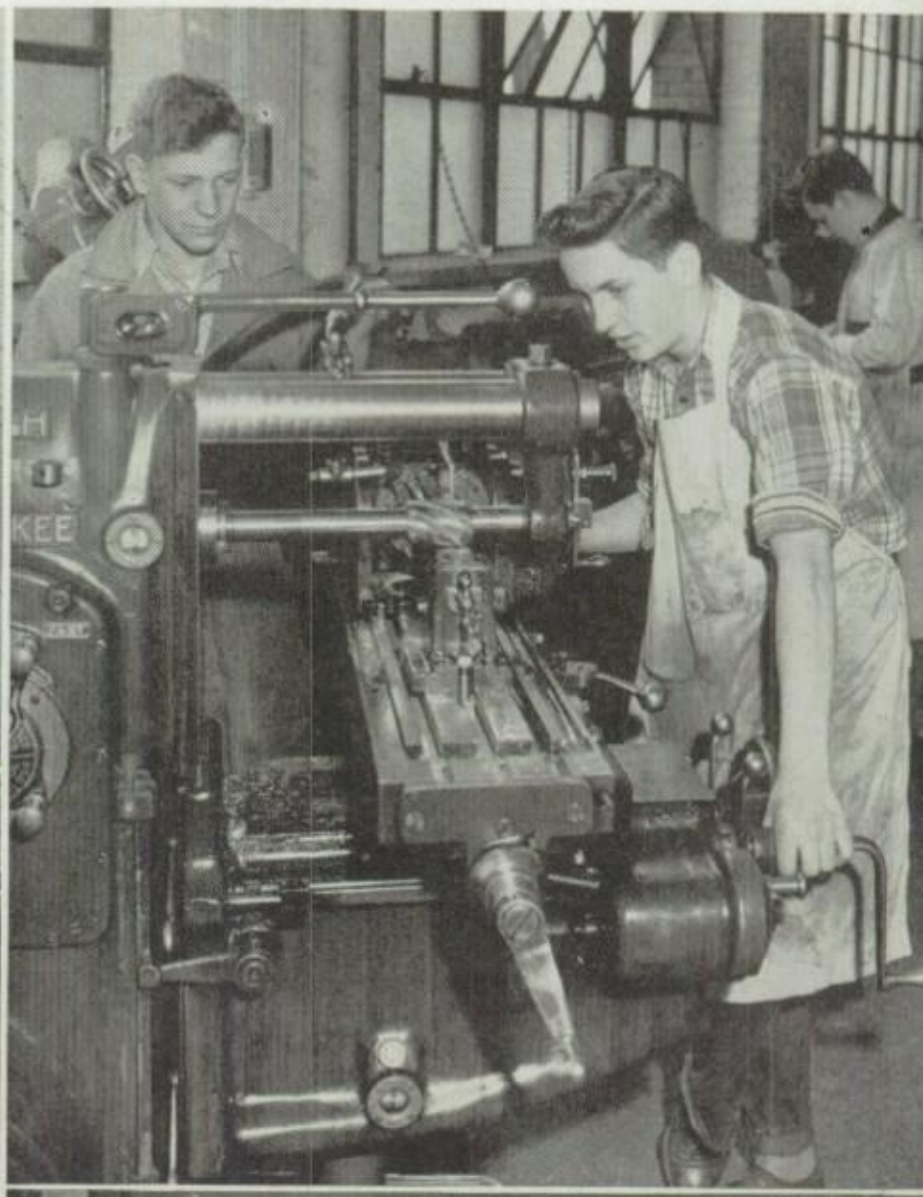
Bob Gifford, Eldon Hershbeyer and Ralph Dileo repair the wiring in the headlight of an auto. All phases of car repair are taught in the automotive shop.

Pondering over a tough one are Chester Czajkowski, Jack Cravens, Richard Ecker and Donald Esker in the mechanical drawing section.

Bob Ballard and Bob Gorz are working some stock on the milling machine in the big machine shop.

Winding armatures, a really ticklish job, are Earl Giulatto, Robert Eckwall, Marvin Woltes, Victor Panozzo, in the electric shop.





The art department offers various types of art work including jewelry, pottery, leatherwork, textiles and commercial art.

Barbie Moore and Barb Yates are working with pottery while Barb Blakemore in the foreground is sawing a piece of plastic.

Diane Porter, Gerdine DeGraff, Donna Van Ort, Dolores Diekman, Diane Meeder are shaping their jewelry projects while Marianne Bogan polishes hers.

Sally Slack, Gen Johnson and Georgia Ewing are working on posters.

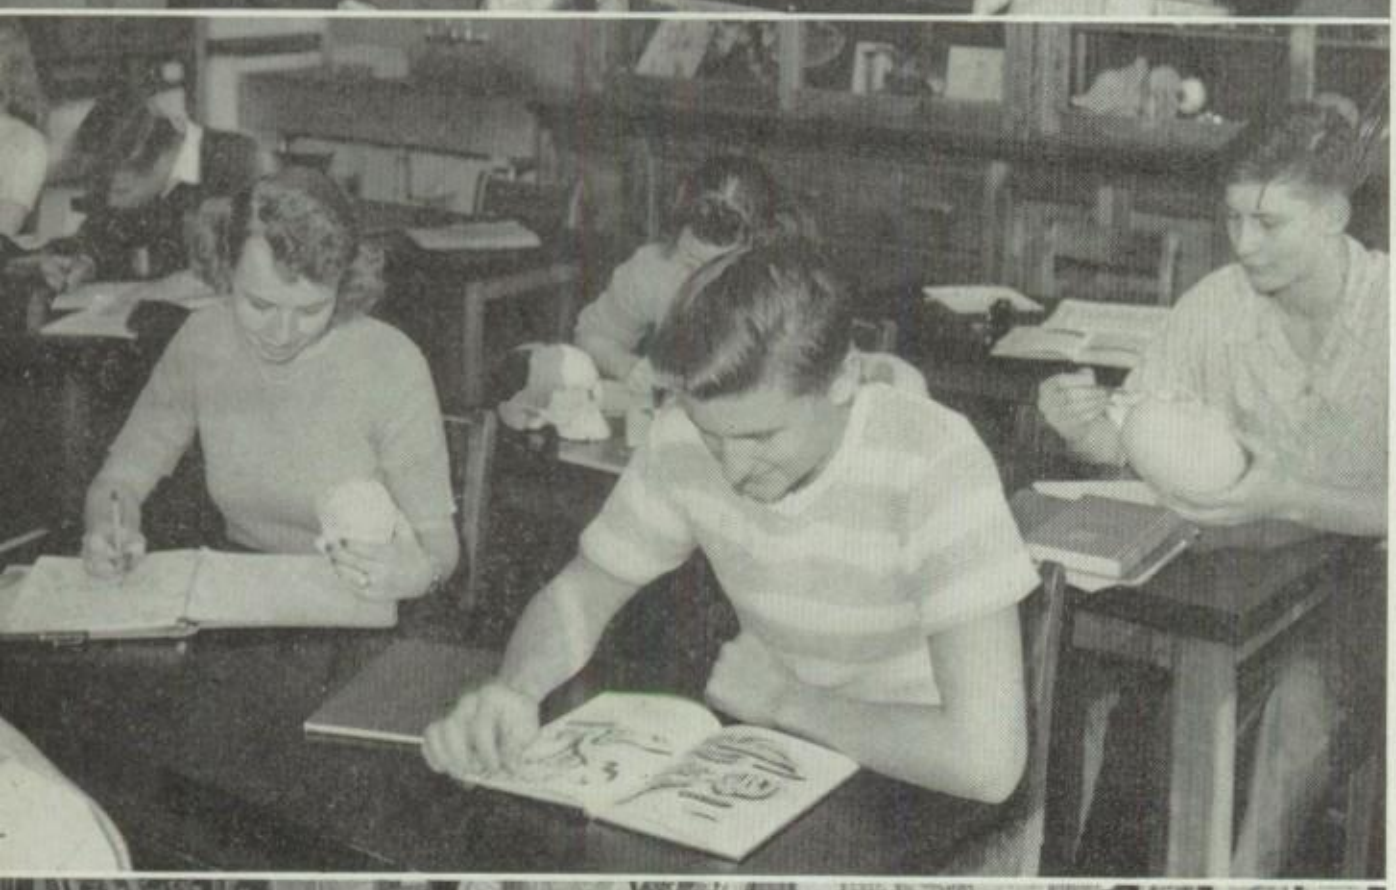
Jackie Furth, Barbara Bendle, Edward Rosborough, Lorn Bakus and Dolores Eipper are making football players out of newspapers.

Paula Soenksen is weaving while Norma Woods, Betty Dexter, Jim Simon, Edythe Wickersham and Marianne Bogan are working with leather.

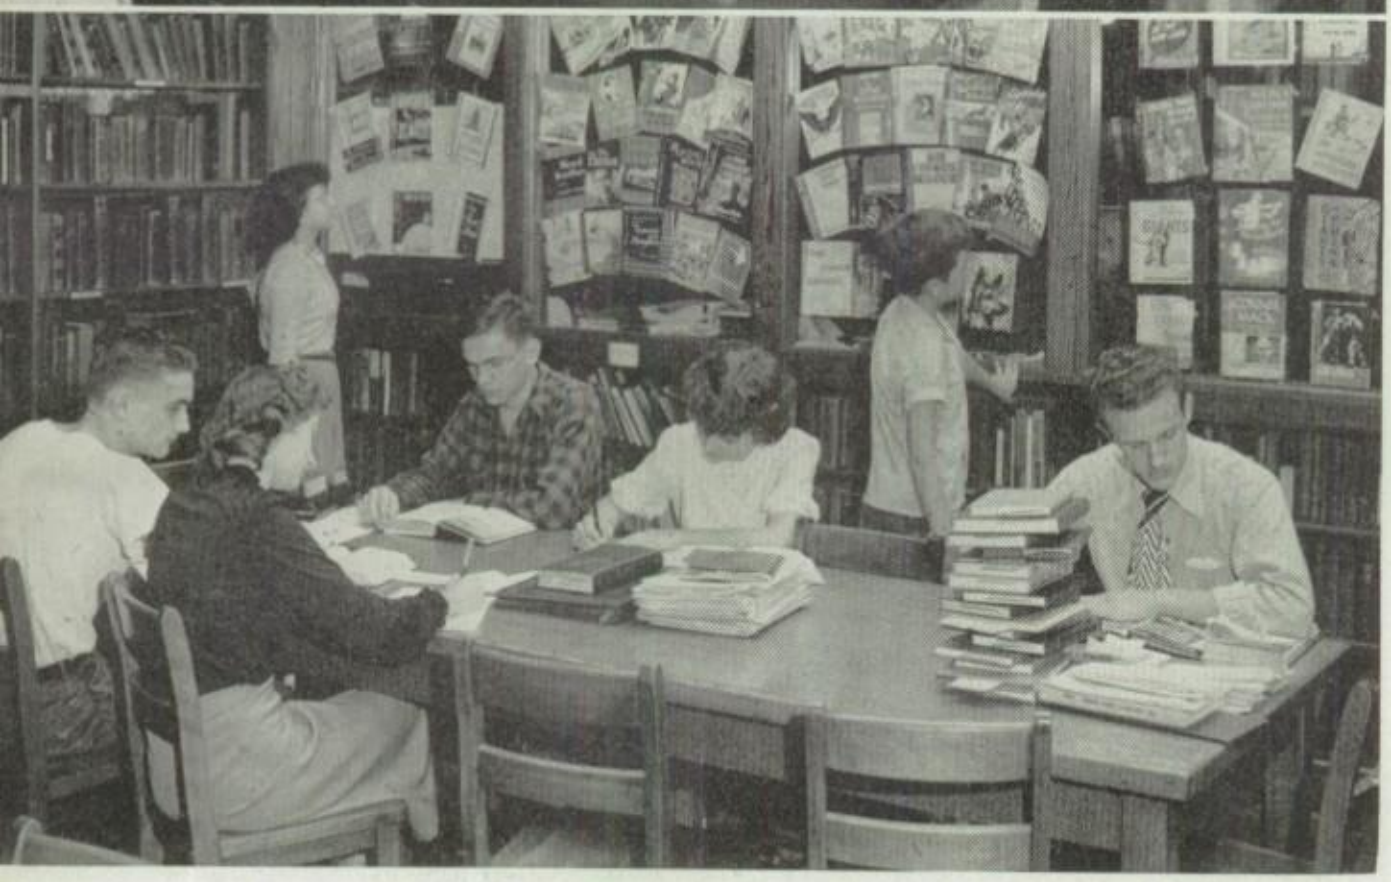
Jim Carlson, Paul Jones, Leon Potrafke and Fred Lohse are making posters by the silk screen method.

Artists cover halls with colorful posters . . .

In Thornton's well-equipped chemistry labs, many students have come to realize the marvels of chemistry. Shown experimenting here are Tom Rudin, Tom Lorence, Doris Middleton, Charles Kolb and Llyod Linde on the left. Paul Schmehl, Roger Schreiber, Ralph Stroh, Don Walz, Lorraine Tychewicz and John Topolewski are on the right.



One of the most popular classes that the seniors had this year was the senior biology course. At the first desk are Virginia Shower and Gerhardt Kaufman. At the second desk are Barbara Warner and Thomas Woulf.



At one time or another all of Thornton's students have visited and used the high school library. Seated at the table are Don Robertson and Joyce Walker, James White, Margot Goly and Steve Zak. Geraldine Wasik and James Jesk look over the display of book jackets.

Labs produce scientists, library trains students . . .

Seniors take speech, projection squad keeps busy . . .

In radio speech class, students write, cast, and produce their own scripts.

At the mike are Ginny Peiguss, Wilson Reed and Albert Henderson. Ready with sound effects, in the background, are Dan Hughes, Bob Goers and Leo Parks.

Looking over the books on display in the library are Dolores Kerr, Bob Groenveld, Irene Mazier, Pat Myers, Ted De Young, Gloria Medley.

Students assist faculty members, help in . . .

rental library, bookstore, at the piano . . .

This library is especially for the English department. English teachers may select for their classes sets of books ranging from grammar texts to novels, from anthologies to biographies. Jan Gronwall and Bonnie Helfrich are two of the girls who keep the rental library records in order.

The cafeteria lines aren't the only ones that are long. Those in front of the bookstore never seem to dwindle. The reason is that Thornton's bookstore carries textbooks, bus tickets, and a complete line of school supplies. Georgia Ewing, Jean Noethling and Jack Huish are Mr. Peterson's student assistants.

The mass production room at TTHS is Room 206. Here senior girls learn to operate practically every sort of business machine with which they might come in contact in future business careers.

SENIOR LETTERMEN

Paul Palmer and Bob Binette — Owen Roberts — John Ford
Martin Kranz, Louis Furlan — Bob Goers — Denny Bruggeman — Stan Boyer
Evan Roberts — Thomas Woulfe — Tom Coulombe, Jim Carr, Jim Lawless

The lightest and smallest Wildcat eleven in the history of Thornton stepped onto the field on September 19 and trounced the Blue Island Cardinals, 21-14. That victory broke a Thornton losing streak that had extended to 17 games, but it was also the brightest spot in the season. Then Champaign, last year's Big Twelve champs, nipped the Cats 13 to 6. In the Proviso game, not even Robertson's 88-yard touchdown sprint could pull the game out of the fire and Thornton lost 7 to 14. The Oak Park Huskies, destined to be the Suburban champs, were next to subdue the Wildcats, 14 to 0. Sloppy ball and tough breaks lost them the Highland Park game, 6 to 19. A slight ray of hope came with the holding of Waukegan to a scoreless tie, to be squelched completely by New Trier, 27 to 6. Morton completely washed under the Cats, 19 to 0, so that the season ended with a record of one victory, one tie, and six losses.

Clouds fly high in regional, sectional, . . .

strike adverse winds in "Sweet Sixteen" . . .

With Coach Tom Nisbet in the driver's seat, Thornton's Flying Clouds went to the state tournament at Champaign for the first time since 1935. Thornton had a little difficulty in capturing the regional, but had a comparatively easy time in the sectional. The Clouds' first opponent was Crete, a small school that proved punchless enough to be slaughtered 58 to 34 by the Harvey quintet. The Clouds next met Lockport, but emerged with an easy 47 to 37 victory. Joliet almost pushed Thornton out of the way, but amid tears and cheers the Flying Clouds eked out a 38 to 36 win to capture the regional tournament. Thornton's first opponent in the sectional tournament at Joliet was Watseka, a highly rated team with lots of speed. The results proved different, however, as the Flying Clouds outfought them to gain a 43 to 39 decision in a somewhat sloppy game. Playing a completely different brand of basketball, Thornton met a highly rated Forrest quintet as the Clouds exploded almost immediately to win handily, 41 to 32. After winning and winning, Thornton traveled down to Champaign and lost to Springfield Cathedral, 57 to 50, a game that saw the Clouds completely fold up in the second half.

Keefner (22) and Casey (26) try to beat Frederick (66) to the ball while John Morris and Bob Rubendunst wait for a pass-off.

Ferguson pushes Thornton ahead when the score is tied at 26-26, in the Watseka game at the sectional tournament at Joliet, March 11.

Eager listeners keep their eyes glued to the radios as the game is broadcast. In the corridor Joe Albert, Ken Raak and Herb Schumacher, hall guards, listen to the broadcast.

In Mr. Adams' class room are Chester Wodarski, Walter Sergott (to the left of radio), Russell Willis (seated), and C. Gratkowski, Louis Surufka and Walter Wrobel, listening to the play-by-play account.

"Well, the Flying Clouds are going to state again." These were the words heard all over the Chicago area during the tense days following the Sectional Tournament at Joliet.

Yes, the Flying Clouds of 1947-48 turned out to be champions, something the basketball lovers of Thornton haven't seen since 1935.

In their first game of the season, a non-league tilt with Glenbard, a top contender of the West-Suburban League, the Clouds showed their power with a 42-34 victory. Jock Robertson, then playing forward, and Bob Rubendunst, newly elected captain of the squad, led the team as high-pointers.

In their next two league contests, the Clouds shared a first place league position with Waukegan by beating Oak Park and Proviso, 47-38 and 45-39, respectively.

After losing to Morton, 40-29, the Clouds journeyed to the Cal City Holiday Invitational Tournament and defeated their favored hosts in the first game, 32-31. Cal City was leading in the last quarter until the team rally led by Jock, edged them out by a very close margin. The next victim was Peotone. This team put up a very good fight, but the odds were against them, and the Clouds were victorious again, this time, 40-34. On December 20, the Clouds trounced the Morgan Park Military Academy 53-40 to win the trophy, their first in 12 years.

JV, Soph, Frosh squads make fair showing . . .

The outstanding honors of the year could go to any number of men on the squad. Jock Robertson was high pointer of the season with John Morris a close second and Rubendunst third. Chuck Romer played very good ball and earned a starting position on the team. Ronnie Ferguson gained a reputation as a play maker in basketball as well as in football. His shooting isn't outstanding, but his floor work saved more than one game. Bill Frederick improved as a center and a pivot man with his floating hesitation shot stunning more than one gym full of spectators. During the last part of the season, Bob Binette proved to be a very capable substitute and quite a shot. Roger (Curly) Conant will probably have a starting position next year based on his good record this season. On the whole, every member of the squad improved and shows much promise for a better season next year.

Coach Bauman and his freshman squad have a right to be proud of their accomplishments. This squad will feed the varsity and sophomore squads next season and should give them a boost.

Lightning Bob Blaha and his sophomores ran into a bit of trouble this past season. The reason was that the opposition always scored more points than the young Clouds. This is believed to be the basis of the trouble.

The JayVee squad fulfilled the purpose it was intended for, to give the fellows who didn't make the varsity squad a chance to play the game. The boys had a lot of fun and learned much about the game under Coach Tiny Huddlestun.

The following games took place before the regional tournament at Bloom: Thornton 45, Highland Park 38; Evanston 42, Thornton 28; New Trier 52, Thornton 32; Waukegan 55, Thornton 44; Oak Park 50, Thornton 48; Thornton 53, Riverside 37; Thornton 42, Proviso 35; Thornton 54, Morton 39; Highland Park 43, Thornton 42; Thornton 44, Evanston 37; New Trier 52, Thornton 29; Waukegan 50, Thornton 37.

GOLF

With Harry Gunn, Richard Gurzynski, Richard Bogdan, Joe Berglund and Jim Dunne, returning lettermen, and Carl Olsen and Bill Gunn up from the Frosh-Soph, the '47 team accomplished something that no Wildcat golf team had been able to do for twenty years. They won the district championship. Low Thornton man in the district was Dunne, only a few strokes behind placing. The winning district team was Harry Gunn, captain; Joe Berglund; Jim Dunne; and Dick Gurzynski.

This combination was only a stroke out of fourth place in the state, placing fifth. Gunn and Gurzynski led the team and were only five strokes behind the individual state champs.

Thornton ended fourth in the Suburban League. Gurzynski and Bill Gunn were high point men on the team in league meets.

The lettermen were Captain Harry Gunn, Rich Bogdan, Joe Berglund, Dick Gurzynski, Jim Dunne, Bill Gunn and Carl Olsen. The coach was Mr. Stuart, who came from Highland Park.

LETTERMENS CLUB

This year, for the first time in many years, actual elections were held for the Lettermen's Club. Officers selected were Dennis Bruggeman, president and Tom Coulombe, secretary-treasurer. Vice-presidents were chosen from every major sport. They were Bill Gunn, golf; Bob Rubendunst, basketball; Bill Bunch, track; Ronnie Ferguson, football; Chuck Hennig, swimming; Carl Carlsson, baseball; and Tom Coulombe, wrestling.

Thornton's matmen, coached this season by Ted Czech, showed a definite improvement over the previous year's teams. The record compiled in '47-'48 shows that Thornton won 5 meets, lost 5 meets, and tied 1 meet.

In the district meet, held February 27 and 28, Thornton's boys placed third as a team and sent four boys on to the finals. The team fell short of second place by only 2 points.

The fellows who gathered all these honors for TTHS are Barry Hilts, who wrestles in the 103 pound class; Conrad Van Swol, 112 pounds; Bob Waterstraat, 120 pounds; Tom Triumph and Roland Martin, 127 pounds; Carl "Babe" Carlsson, 133 pounds; Don Kagy, 138 pounds; Earl Landry, 145 pounds; Tom Coulombe, 154 pounds; Dennis Bruggeman, 165 pounds; Bob Rasul, 175 pounds; and Chuck Pipher in the heavyweight division.

The boys who earned the chance to compete in state competition were Babe Carlsson, Earl Landry, Dennis Bruggeman, and Chuck Pipher. This meet was held at Champaign on March 12 and 13. Carlsson walked off with the championship in his division.

Another first for the wrestlers was their use of the new wrestling room that was added to the Buda gym last year. This room not only provided a high and dry place for the matmen, but allowed space for the spectators who cared to attend. The room was the scene of all the home matches.

Lettermen who will return to next year's squad are Triumph, Kagy, Rasul, and Pipher. With many new wrestlers moving up, the '48-'49 squad should be even stronger.

Mermen finish third in Suburban League . . .

Come in ninth at state meet, behind New Trier . . .

A glance back over this year's swimming season shows how much a team can improve with experience. The Thornton tankers, ably coached by Frank E. Froschauer, who finished last in the '46-'47 season, came in tied for third in the Suburban League and ninth in the state for the 1947-48 season.

Individuals improved greatly also. Captain Chuck Hennig became even greater this year and captured third in the state to send the team home ninth in state competition. Jim Falster developed into a first rate distance man. Lowell Frank and Dan Hughes became fine divers. Fred Capriotti, up from the Frosh-Soph, ably filled his brother's shoes in the medley and relay. Bud Gunn developed into a speedy free-styler and Bill Austin did well in the sprints to round out Thornton's free-stylers. George Myers continued to do well in the distance and Gerald Devore and Jack Payan held up their end quite capably in the back stroke, while George Ruhle helped with more points in the breast stroke.

The team had a fine overall record of nine wins and only three losses. They rolled up 562 points to their opponents' 421.

The 1947 track team did not do so well as the Purple and White teams of the past, but it did succeed in giving many underclassmen valuable experience. On March 29 Thornton was represented in the Oak Park relays by Tom Zirkle, Bob Wilson, Don Wilson, Don Stegmeir, George Burdette, and Lorenzo Rowe. The boys were successful in the two mile relay event, when they gained two points to avoid a complete shut out.

Thornton's next opponent was powerful Evanston, who went on to finish third in state behind Oak Park. The Purple and White were completely snowed under as the varsity lost, 94 to 42, while the sophs were frozen out, 72 to 36.

Thornton was again to be trounced as Proviso invaded the Harvey oval and went home with a 70 to 42 victory under their belts while the underclassmen from Proviso won, 80 to 34.

The Steelmen of Joliet extended Thornton's loss to 3 straight by downing the Cats 85 to 52, as Wilson and Rowe each gained 10 points. Joliet found an extremely good liking for the Thornton oval and went on to win easily in almost every event.

In a practice meet with Blue Island, the Purple and White found the road to victory and came through with a thrilling 58 to 54 win, their first of the year. The Wildcat victory came when Thornton scored seven firsts and six seconds, Burdett leading the way with 13 points.

Thornton went to Kankakee to defend their district title, but returned to Harvey defeated. The South Suburbanites were just too much for the Purple and White, as they dominated almost every event.

The cindermen closed their schedule by losing to the Tavern Towners, 68 to 44. The sophs also succumbed as Norman Surrane stood out in his division with high point honors.

On May 10 Thornton whipped Waukegan twice 5-0, 5-4. Gene Summa struck out nine men in the first game. Robertson, Kolloway and Ford were the big guns in the slugging department.

The feature of the second contest was Jack McGowan's last inning home run with a man on to pull the game out of the fire. Rasmussen was the winning pitcher.

On May 15, Morton fell 2-1 before the Thornton team. Robertson was the winning pitcher, allowing only four hits.

The locals whipped Highland Park twice, 1-0, 5-3. Summa chucked a one hitter in the opener, and scored the winning run.

The nightcap saw Robertson start on the mound but retired in favor of Rasmussen after two frames. The Cats then came back and went ahead for keeps in the sixth inning on a hit, an error, a stolen base, a squeeze play, and a fly ball.

The Clouds clinched the league title with a 3-0 victory over Proviso. Summa once more shut out the opposition while Carlsson drove in two of the Thornton runs.

In the district tournament at Lockport, the Cats beat Joliet 1-0 behind Summa's no hitter, but lost 3-1 to Lockport as errors proved costly. Rasmussen was the losing pitcher.

With seven varsity and six frosh-soph lettermen returning from the 1946 squads, Coach Frank Froschauer knitted a squad that brought the 1947 Suburban League Championship to Thornton.

Baseball team takes crown from league opponents, . . .

The Cats opened their season on April 9 by copping a twin bill from Fenger's state champions, 1-0 and 8-5.

Gene Summa held the Titans in check in the opener with a sterling hurling performance; McGowan and Kollaway led the hitters with two for three and two for four respectively. Don Robertson's triple with the bases loaded proved to be the big blow in the nightcap.

The Wildcats then started on the Suburban victory trail with a thrilling 1-0 victory over Oak Park. Rasmussen and Wagner spaced four hits to shut out the Villagers while Summa's homer in the fourth inning proved to be the margin of victory.

Proviso, the Cats next foe, tagged the Fro-men with a 10-6 defeat. Rasmussen started on the mound but was relieved in favor of Lefty Wagner, the victim of the Proviso six-run seventh inning and the ultimate losing pitches. The bright spot in the contest was Robertson's hitting spree, a homer and a triple, accounting for four of Thornton's runs.

In a non-league tilt the Cats lost a 5-1 decision to Clark of Hammond, the following day. Robertson was the losing pitcher. The game was played without the services of Rasmussen and Summa.

On April 22, the Cats won a 3-1 decision over Morton behind the five hit chucking of Rasmussen. Tuffanelli, Capriotti and Robertson were the hitting stars with consecutive singles to start the home team on their way.

On the 26th the Wildcats won a double header from New Trier by scores of 7-5 and 8-5. Don Robertson relieved Wagner in the first game and received credit for the win. Capriotti led the team with two for two, besides scoring three runs.

In the finale the Fro-men jumped off to a quick lead, thanks to hits by Carlsson, McGowan, Ford, and Coulombe. Rasmussen, the starting pitcher, got credit for the win, although he had to be relieved by Summa, who held the Greenies scoreless.

In another double header on May 3rd, the Thornton nine whipped Evanston twice, 2-1 and 12-2.

Summa went all the way in the first game, allowing 5 hits, and scoring one of his team's runs in the Cat half of the 9th.

The second game was a push for Don Rasmussen, who struck out twelve Evanston men. Ford, Biesboer, Summa, and McGowan led the way in the ash department.

In a non-league game, the Cats whipped Pullman Tech 6-0. Robertson and Rasmussen scattered two hits through the game.

My First Year

I started in my freshman year;
The first to weeks of school.
I thought that I'd just love it;
But oh! was I a fool.

Now if I pass my Freshman year;
Oh! Boy will I be glad; and if I
don't oh! woe is me; I think I'll
go half mad.

Don Irsula
